LUNA™ STEP

The Luna step light is the perfect addition to any interior or exterior lighting plan and complements the Hinkley Luna outdoor lantern collection. The energy efficient, ADA design produces 180 lumens of light using 4 watts of power, and is dimmable to 25% on any type of incandescent control. A contemporary styled radius front die cast faceplate is included. The Luna step light is compatible with any Decora style faceplate and is easily retrofitted to any gang switch/receptacle location.

Hinkley Lighting stands behind the quality of our lighting fixtures with product warranties that are among the strongest in the industry. For details of warranty coverage on specific products, please refer to hinkleylighting.com or consult a qualified Hinkley retail distributor.

Hinkley Lighting is a proud partner of the American Lighting Association.

Consistent with our corporate strategy, we have printed this catalog using vegetable-based inks, paper made with wind power and FSC® certified paper which consists of 10% post-consumer recovered fiber. Our paper selection preserves 39 trees for the future and prevents 3,610 lbs of greenhouse gasses from being emitted into the atmosphere.

Please consider joining our environmental efforts and recycling this catalog by passing it along to your family and friends.
